USDA ANNOUNCES FEDERAL FUNDING

(City of Henderson to receive a \$2,400 Community Facilities Grant)

Henderson, Texas, July 19, 2002 — Bryan Daniel, State Director, Texas USDA Rural Development announced today that the City of Henderson received a \$2,400 grant through the Community Facilities loan and grant program, an agency that falls under the USDA Rural Development mission area. The effort is part of USDA's national program to help rural areas build and enhance essential community facilities.

The funds will be used to purchase a chassis and portable water pump to serve the citizens of Henderson and Rusk County by providing enhanced fire fighting capabilities.

"USDA Rural Development's Community Facilities program helps rural communities keep pace with the needs of their rising populations," said Daniel. "With lower populations and tax bases than urban areas, rural residents can utilize our programs to help provide essential public services that will enhance the quality of life for all rural residents."

In FY 2001, a total of \$6.3 million in CF loans and grants were obligated. USDA Rural Development finances health clinics, hospitals, rehabilitation centers, nursing homes, elder care and child care facilities, libraries, and emergency medical equipment such as ambulances in rural areas and cities of up to 20,000 in population. Funding may be used to construct or improve community facilities and may include the costs of land, equipment, and necessary professional fees. Loans and guarantees are available to public entities such as municipalities, counties, and special-purpose districts, as well as to nonprofit corporations and tribal governments.

For more information regarding USDA Rural Development programs, contact the Henderson Local Office at 903-657-8221, Ext. 4.

USDA Rural Development is an Equal Opportunity Lender, Provider, and Employer. Complaints of discrimination should be sent to: USDA, Director, Office of Civil Rights, Washington, D.C. 20250-9410.
